ACADEMIC PROGRAM

1. The British Division at Heritage International School is adopting the Cambridge International Curriculum designed for learners who speak English as their first language. For Academic Year 2024/2025 the British Division is opening Early Years Foundation Stage (EYFS) to Year 5.
2. Our highly qualified academic staff follow the Standards set by the UK Department of Education. English teachers are PGCE/PGCEi certified. They set high expectations which inspire, motivate and challenge our learners. Most importantly, our teachers adapt teaching to respond to the strengths and needs of all learners in a safe and orderly environment.
3. Students sit for Primary Checkpoint Exams in Year 6 and Secondary Checkpoint Exams in Year 8.
4. The British Division will provide the Oxford, Cambridge and Pearson (Edexcel) Boards Curriculum in KS4; students will be able to choose from the three different boards for their subjects.
5. Foreign Language: French or German are offered from Year 1; students may sit for the External Exams of DELF in association with the French Cultural Center or FIT in association with Goethe Institute.

ACADEMIC APPROACH

Aims at targeting and nourishing all types of student intellects.

We relate all topics, content of core subjects, and activity classes to real life, where students can use and apply what they have learned as a skill.

Our focus is not only on a rigorous education, but also on empowering learners to respect their cultural heritage and identity.

ENROLL NOW

Secure your child's place in our new British division and embark on a journey of academic achievement and personal growth at Heritage International School.
